SHARE-STYLE BANQUETS & BEVERAGE PACKAGES

For sixteen years, Mamasita has been bringing Melbourne together around the table. Every day starts early in our kitchen, where our chefs make everything from scratch, from tortillas hand-pressed to order to share-style plates packed with bold Mexican flavour and made for passing around. Pair it with margaritas sixteen years in the perfecting, and let our friendly team take care of the rest, looking after you and your guests from the first drink to the last plate.
